General Information

All fees must be paid prior to receiving a class schedule.

Failure to provide accurate information may result in additional program requirements and additional fees. Please be honest.

You must be alcohol and drug free for all appointments, including registration.

Per Administrative Rule, a DUI Program may refuse to enroll any person who is unwilling to comply with the rules and procedures of the program or who is unwilling to make a full disclosure for purposes of an evaluation.

Evaluation Requirements

Florida Statutes require a substance abuse evaluation of anyone enrolled in a DUI Program. This evaluation will be accomplished in part by having you complete questions concerning your drinking and/or drug use habits, questions about your personal life, and questions about your DUI history. If you have any questions about these forms, you may speak with an enrollment officer.

The DUI Program is State certified to provide DUI education programs and complete DUI evaluations. All Evaluators, SSS Evaluators and Instructors are State certified and are under direct Clinical Supervision. After completing paperwork, you will be given an appointment with a State certified Evaluator who will complete various forms that relate to your responses. A determination will be made about the level of education you will be required to attend as well as if referral to a DCF licensed (or exempt by Statute) substance abuse treatment program will be required. There will be additional fees for this treatment as outlined in Florida Statutes.

90 Day Completion Requirement

Per Administrative Rule, any client who returns to the program more than ninety (90) days after the original enrollment to complete all or part of the program will have to re-enroll completely, including payment of all program fees. The following requirements must be completed within the 90 day period:

1. Enrollment paperwork.
2. An evaluation with a State certified DUI evaluator.
3. An appropriate, mandated DUI education program.

If you fail to complete any part of these requirements within the 90 day time period, you will forfeit all fees and will not receive credit for any component completed.

Per Administrative Rule, anyone entering the DUI Program (voluntarily, court ordered or as a requirement of DHSMV) is required to complete the educational requirements and obtain an evaluation within 90 days of enrollment. Failure to do so may result in a notice of cancellation to DHSMV and repayment of the full fee upon re-enrollment.

Class Completion Requirements

1. Attendance at all classes, on time and in sequence.
2. No alcohol or other drug use within 24 hours of class.
3. Completion of all assignments.
4. Payment of all fees.

If you receive a class schedule prior to completion of your evaluation, you will not receive a certificate of completion until you complete all components of the DUI Program.

Transfer to Other DUI Programs

You must attend a DUI Program in the county where you work, live or attend school. You may transfer your DUI requirements from or to this office to comply with this requirement. Failure to complete official transfer paperwork may complicate your completion of the DUI Program. The transfer fee is \$25.00.

Enrollment Instructions Form

Thank you for choosing to enroll in the DUI Program of Pasco County. In order to process your enrollment, you need to complete the following forms and mail these with a Check or Money Order for **\$375.00** (Level Two) or **\$245.00** (Level One) which includes State mandated DUI Program fee plus \$12.00 driving record fee and \$5.00 testing fee to the office address where you want to have your evaluation and classes. Fees are effective 10/1/08. If you would like to charge the entire fee to your credit card, please fill out and return the attached CC authorization form. Return the following, completed forms:

1. One signed copy of the *Program Rules and Regulations*
2. Signed Release of Information form for DHSMV.
3. The completed *Client Information Sheet*

Follow-Up to Get Your Appointment and Class:

Seven days after you send the completed forms and the payment to the office, call the office where you want to have your evaluation and take your classes. If you want to enroll in Zephyrhills, the office is only open on Tuesday and Thursday from 8:30 AM to 5:00 PM. The New Port Richey office is open Monday through Friday. You must live, work or attend school in Pasco County to enroll in this Program.

◆◆ Time Limits to Complete the Program: ◆◆

Florida Law requires that you have completed the class and the evaluation within 90 days of your enrollment in the program. Your enrollment date is the business day your payment is received at the office. If you fail to complete the program within your 90-day time limit, you will lose all fees paid and have to start over again. Because of this time limit, you must contact the office within ten days after returning the paperwork and sending in your payment. Enrollments without payment or payments without required paperwork will not be processed.

What Will You Get After You Make Your Appointment:

Once you call the office, you will get two appointments: your evaluation and your class schedule. You must complete evaluation before your class. If you miss that appointment, you will be charged reset fees and you may not be able to attend your class.

What You Will Need to Obtain Before the Evaluation Appointment

When you call to schedule your enrollment appointment and your class, a staff member will explain this information to you. But, we recommend that you start gathering the required forms immediately in case you have problems or questions before your evaluation appointment. If you fail to bring required documents to the appointment, you will not be able to complete evaluation and additional fees may be applied. The following documents are required to enroll in any DUI Program:

1. A valid form of identification (preferably one with a picture). You cannot enroll or complete testing without this.
2. A copy of your ticket that shows your Blood Alcohol Level or proof that you refused the breath test.

3. A copy of your Court Order, if your case has been resolved in Court. (If you have not been to Court for your final hearing you will not have or need this form)
4. A copy of your Arrest Affidavit, also called a Probable Cause Affidavit. This is the information that the arresting officer or agency completed about your offense. It includes things like the officer's observations at the time, how you did on roadside tasks, an accident report (if an accident was involved), and other information that was written about the offense. If you have an attorney, they have probably already requested this document and you can get a copy from them. Otherwise, you will have to contact the arresting agency directly to get a copy of this document. Make sure that you allow time to obtain this report before you come for your evaluation appointment, especially if your offense happened out of State or a long time ago. You have to obtain the Affidavit from the most recent offense. If you are having problems getting this form, call our office for assistance before your appointment. If you show up without it, you cannot complete enrollment and may be subject to a reset fee.

The Evaluation Appointment

This appointment is going to be set for two hours during regular office hours. You must be on time or you will not be able to complete enrollment and reset fees may be charged. You will be completing some more paperwork and meeting face-to-face with a State certified Evaluator. You cannot complete all the enrollment paperwork by mail because there are forms we are not allowed to mail out to you. If you have problems with reading or writing, you need to bring someone to assist you. If you think that you are slower than average about completing written forms, you may want to come to the office earlier than your set appointment to have some extra time. If you have any concerns about the paperwork, tell staff when you call to set your enrollment appointment. We will help you in any way.

Your Class Schedule

Depending on your case, you will be enrolled in either a Level One (12-hour) or Level Two (21-hour) class. Level Two is required of anyone who has a prior conviction for DUI in any State anytime in his or her life or who has ever attended a Level One class before. If you enroll in Level One and you need Level Two, you will be responsible for the cost difference. Be honest about your past history when you enroll to make sure you do not waste your time and money by going to the wrong class. If you are not sure whether or not you need a Level One or Level Two, call either office to discuss the situation. Your class schedule will have the dates and times that you have selected from our available classes. You will confirm your seat when you call to complete enrollment. Remember that you must complete the evaluation appointment before you can attend the class. Information about attendance and rescheduling will be discussed with you when you call the office to complete enrollment.
